

SPRINT DOCUMENTATION

Sprint 63 - Customer Portal Runtime

What changed

Publication edition | 2026-08-03

Document Control

Purpose	Enterprise platform overview and buyer evaluation reference
Audience	Business leaders, platform administrators, evaluators, partners, and technical stakeholders
Scope	Capabilities, architecture, security, deployment, adoption, outcomes, and terminology
Source	ServicePro repository documentation; technical meaning preserved

Apply this patch over Sprint 62.

- Added portal accounts.
- Added portal login.
- Added portal bearer token.
- Added customer booking requests.
- Added customer-visible invoices and estimates.
- Added admin portal account endpoints.
- Added PostgreSQL migration.

Portal test login

customer@example.com / ChangeMe123!
