

SPRINT DOCUMENTATION

Sprint 770 — Continuous Delivery Control Optimization

ServicePro product and operations documentation

Publication edition | 2026-08-03

Document Control

Purpose	Enterprise platform overview and buyer evaluation reference
Audience	Business leaders, platform administrators, evaluators, partners, and technical stakeholders
Scope	Capabilities, architecture, security, deployment, adoption, outcomes, and terminology
Source	ServicePro repository documentation; technical meaning preserved

Sprint 770 analyzes delivery outcomes and recommends control changes.

Inputs:

- deployment failure rate;
- rollback rate;
- average release risk;
- safe policy simulation results.

Recommendations can increase or relax controls, but policy changes require explicit approval before application.
