

SPRINT DOCUMENTATION

# Sprint 83 - Communications Runtime

Endpoints to wire

Publication edition | 2026-08-03

## Document Control

|                 |                                                                                             |
|-----------------|---------------------------------------------------------------------------------------------|
| <b>Purpose</b>  | Enterprise platform overview and buyer evaluation reference                                 |
| <b>Audience</b> | Business leaders, platform administrators, evaluators, partners, and technical stakeholders |
| <b>Scope</b>    | Capabilities, architecture, security, deployment, adoption, outcomes, and terminology       |
| <b>Source</b>   | ServicePro repository documentation; technical meaning preserved                            |

Apply this patch over Sprint 82.

```
GET    /api/v1/communications
POST   /api/v1/communications
POST   /api/v1/communications/timeline
GET    /api/v1/communications/:id
